# The most sensitive class

Ms Anna Ceglédi and her class of 6th graders collected socks for families in need. They won a competition. In Hungary the 6.b collected the most books for kids ill in hospitals.

6.b

# Garden

- ▶ In the backyard there is a garden, where young students planted vegetables.

# Health day

- ▶ Once a year in May, there is a Health day in the school. The kids can learn many important things about healthy eating. The classes make fruit and vegetable salads.

# Dancing

In the morning on Health day, the students and the teachers can go dancing!

# Green Patrol

- ▶ Last year our class visited the Szeged Zoo on four occasions in March. We fed animals and made graffiti pictures!

The slide features a white background with a decorative graphic on the right side. This graphic consists of several overlapping, semi-transparent green triangles and polygons in various shades of green, ranging from light lime to dark forest green. The shapes are arranged in a way that they appear to be layered, creating a modern, abstract design.
